3. Good-looking, responsible at work

How Hosts Earn Money on Luckycoin:

1.1v1 video calls

2.Match calls

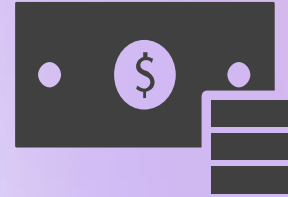

3.Live streaming

4.Video Card Calls

5.Daily bonus

6.Daily tasks

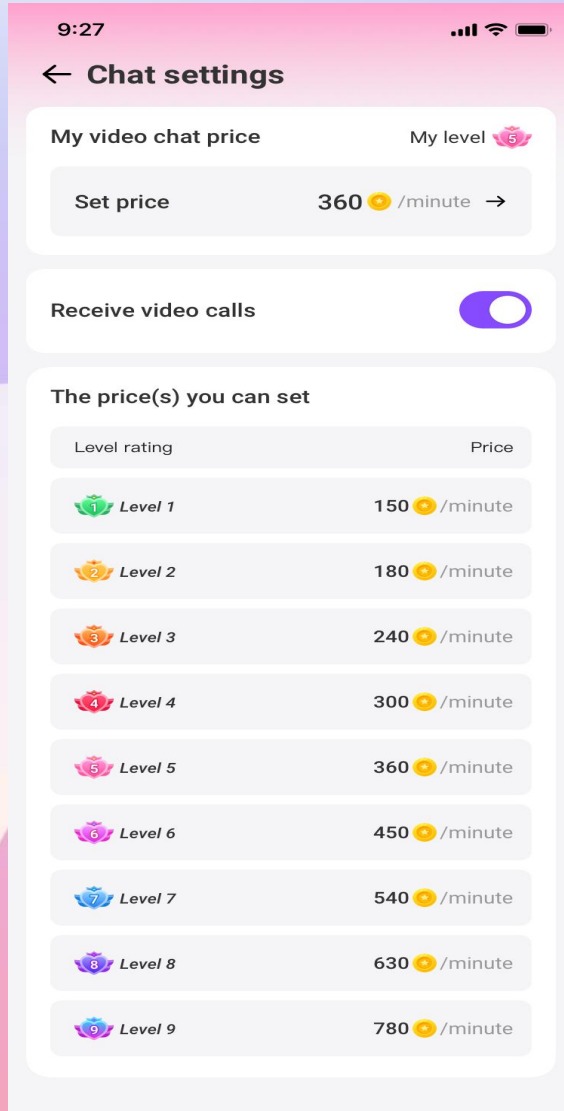

7.Holiday bonuses / special event bonuses

02
PART TWO

I.1v1 video call

The host call rate is **150–630** coins per minute, depending on the host's level.

The higher the host's level, the easier it is to earn money.

II .Match

The price of a Match call is 15 coins per 20 seconds.

If the call exceeds 20 seconds, it will be charged according to the standard rate.

III.Live streaming

1.Reach the daily live streaming duration and earn coins!

2.The app features a “Lucky Gift” system that returns a large number of coins to users, and hosts can easily receive valuable gifts!

IV.Video Card Calls

(Only a small percentage of total calls)

Video Card Call earnings are 90 coins per minute, charged every 10 seconds. The maximum duration of a Video Card Call is 60 seconds.

The coin earnings are as follows:

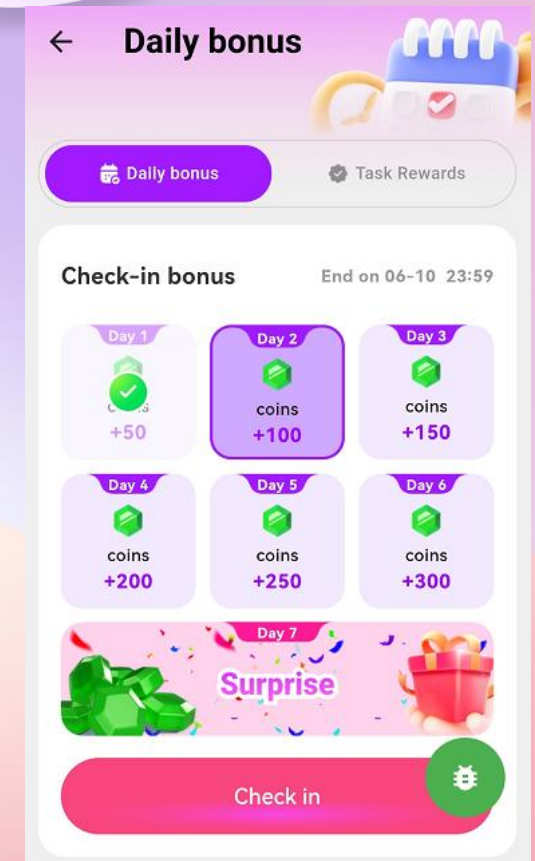

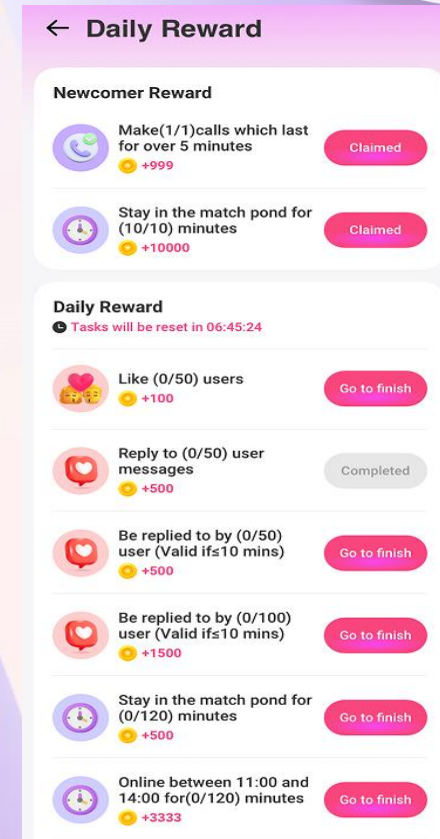

Call Duration	Coin Earnings
0 – 10 seconds	15 coins
11 – 20 seconds	30 coins
21 – 30 seconds	45 coins
31 – 40 seconds	60 coins
41 – 50 seconds	75 coins
51 – 60 seconds	90 coins

V. Daily bonus

VI. Daily tasks

VII. Holiday bonuses

1. New hosts who complete verification will automatically receive 500 coins in their account.
2. New hosts who complete ≥ 20 calls within 24 hours after verification, with an average call duration of ≥ 50 seconds, will receive a **\$0.5**(3000 coins) bonus.
3. Each host profile has a gift ranking board. Users can easily send gifts and enter the ranking, allowing hosts to receive gifts more easily and increase their earnings.

03 PART THREE

Workflow

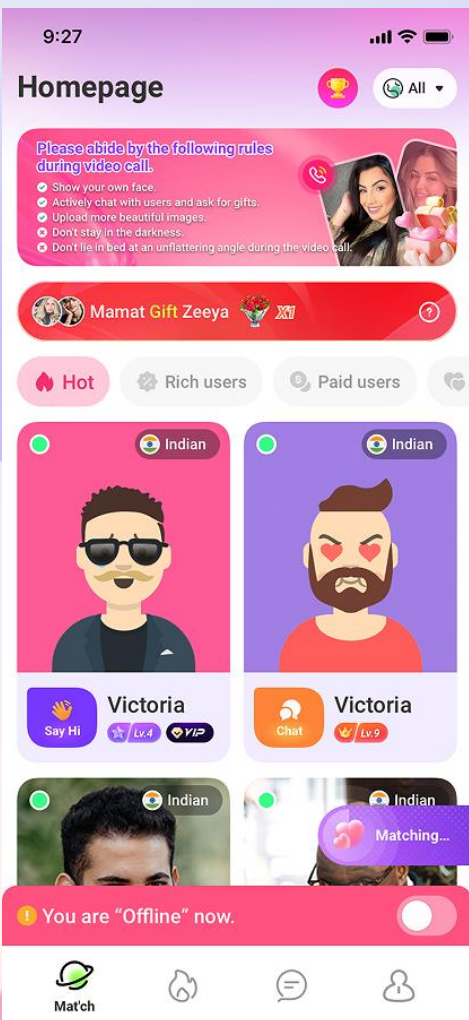

04 PART FOUR

1. Download the app via the APK link and register/log in with a Google account.
2. Once inside the app, complete the facial verification by following the instructions in the pop-up window.
3. After passing facial verification, you can upload your profile photo and other pictures for admin review. While waiting for your documents to be approved, you can still receive system calls and direct user calls to earn income. (Try to make a good impression; your performance may sometimes influence whether your application is approved.)
4. Once your verification is approved, you will be able to use all features, such as making active calls, sending messages, adjusting your call rate, etc.
5. Start working seriously and begin earning income!

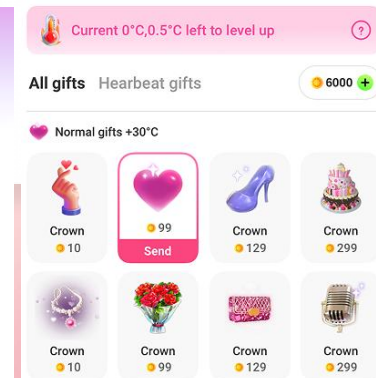

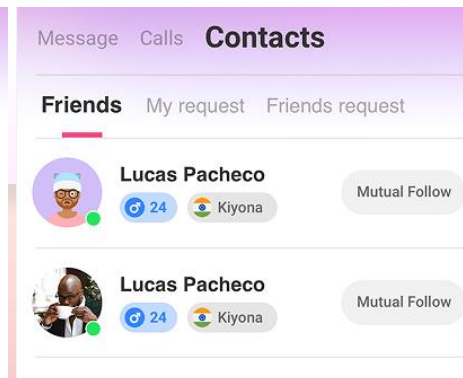

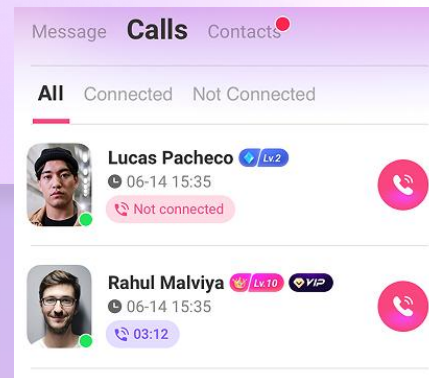

Our Advantages

05
PART FIVE

1. The higher the host's skill level, the higher their level and per-minute rate. Prices can be freely adjusted.
2. Daily rewards and daily tasks can reach up to \$10 per day.
3. "New Host" and "Featured Host" tags help increase exposure.
4. Indian / Pakistani hosts can be directly seen by wealthy users from Southeast Asia, Europe, America, and the Middle East, making it easier to receive calls and gifts.
5. Mid-level hosts can view information about users who have paid for them.
6. High-level hosts can see the balance of all paying users within the app.
7. Hosts can view users' visit history, likes, chats, and calls—multiple ways to build connections.
8. When a large gift is received, a special notification will be shown across the entire app.
9. During a call, hosts can directly request specific gifts through a built-in app feature.
10. Self-withdrawal with fast payment processing.

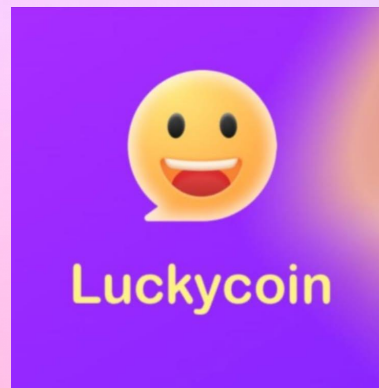

Host Rules

1. It is strictly prohibited to display any content related to politics, religion, violence, minors, or pornography, especially within the first 20 seconds of a call.
2. Maintain enthusiasm and actively try to extend the duration of private calls.
3. Each host is allowed only one account. (If detected, all earnings will be fully revoked.)
4. Do not argue with users or share personal contact information. Do not engage in any actions that may harm users or the platform.
5. The following behaviors are considered violations:
 - * Not showing your face
 - * Poor or dark lighting
 - * Being outdoors during calls
 - * Presence or sound of minors
 - * Ignoring the user or doing other activities during the call
 - * Answering calls from multiple platforms simultaneously
 - * Asking users to transfer money directly

Luckycoin Plus Agency Policy

Agency commission

01 PART ONE

Agency Revenue Sources =

Host salary deduction + **Fixed app commission** + **Additional bonuses**

1. The agency may choose to deduct **0% to 10%** from the host's salary.
(It can only be adjusted once per month and cannot be changed frequently.)
2. The platform's fixed commission is **8%**.
3. Whenever a host's weekly earnings exceed \$50 USD, the agency leader will receive a bonus based on the set percentage. The higher the earnings, the larger the bonus.
(Earnings are calculated every Monday. Whether or not the host withdraws funds on Monday, as long as the total earnings from the previous week reach the specified amount, the bonus will be directly credited to the agency leader's account.)

*If the host's total earnings last week reach \$200 USD, the agency leader will directly receive a \$8 bonus!

Weekly income of a single host \$	Additional reward ratio
50\$-100\$	2%
101\$-200\$	4%
201\$-400\$	6%
401\$-600\$	8%
More than 600\$	10%

Agency Withdrawal System

02

PART TWO

1. Withdrawal Method: It can be done at any time through the agency backend system. However, the commission will only be credited to the agency account after the host completes their own withdrawal first. (Once the request is submitted, the funds will be transferred within 1–2 business days.)

2. Minimum withdrawal amount: **10 USD**

3. Transfer method: Bank transfer/ USDT

Additional bonuses

When the new host makes their first withdrawal, the agency will receive **\$1** bonus.

BD Policy

03

PART
THREE

If you invite agents and hosts from the India region (including India, Pakistan, Bangladesh, and other South Asian countries), you will not be eligible for this BD policy and bonus.

To enjoy this BD policy and bonus, you should invite hosts from the following countries: the Philippines, Vietnam, Brazil, Venezuela, Colombia, Indonesia, Morocco, Syria, or Egypt.

1. For each guild you invite that successfully registers a new host, you will receive a \$0.2 bonus per host.

2. For each guild you invite:

Upon reaching 20 registered hosts: \$5 bonus

Upon reaching 50 hosts: \$15 bonus

Upon reaching 100 hosts: \$40 bonus

(Bonuses are cumulative. Inviting 100 hosts gives a total of \$60. If you successfully invite a very large guild, the bonus can be negotiated separately.)

3. Each time the guild you invited makes a withdrawal, you will receive a 6% commission from that guild's earnings.

Agency Rules

1.It is strictly prohibited to recruit hosts within the app or promote other applications.

Violations of this rule will result in warnings, account suspension, or cancellation of all earnings.

2.The agency is required to supervise and guide hosts to comply with the platform rules and create high-quality content.

If a host violates the rules, the agency may also be penalized.

Our Advantages

1.The platform allows the agency to directly set the deduction percentage for hosts, with transparent and clear data.

2.Salaries can be withdrawn independently at any time.

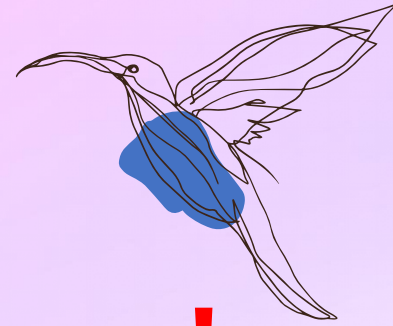

3.A new application with high traffic and many active users.

4.Various bonuses and attractive monthly rewards are available through multiple events.
